

BRUNO SÖHNLE

GLASHÜTTE/SA

Effective as of May 1, 2025

Every submitted watch is inspected by our watchmakers.
The necessary repair measures and required spare parts will be
compiled in a cost estimate for you.

If the cost estimate is declined, Bruno Söhnle GmbH will charge
packaging and shipping costs of €15 (within Germany) or €25
(international), including German VAT, as well as a cost estimate fee of
€25 plus VAT.

This fee will be waived if the customer proceeds with the service at
Bruno Söhnle (service categories Q1-Q6 or M1-M3).

PRICELIST SERVICE

effective as of 01.05.2025 | Prices include statutory VAT.

SERVICE FOR BRUNO SÖHNLE QUARTZ WATCHES

Our quartz watch service ensures that your timepiece functions flawlessly and maintains its precision. Whether it's a function check, battery replacement, gasket exchange, or the replacement of the dial, hands, or crown – we take professional care of every detail.

The frequency of maintenance for your timepiece depends on various factors (model and complications, usage habits, climate, etc.).

As a general guideline, we recommend a "Full Service" approximately every 6 to 10 years.

GENERAL NOTES

Shipping

If your Bruno Söhnle watch requires maintenance or repair through our customer service, we kindly ask you to observe the following points for smooth and efficient processing:

- Package your watch in a padded and sturdy box to protect it from shocks.
- To make your warranty claim, please include the properly filled warranty card from the authorized dealer and a copy of the invoice along with the watch.
- We recommend shipping the package via insured parcel service.

Repair Warranty

We offer a 12-month warranty on replaced components and a 24-month warranty on completed revisions (mechanical). Should a defect arise that is covered by this warranty, we will, at our discretion, repair or replace components. Further rights related to defective execution are expressly excluded. This warranty does not cover normal wear and tear, obvious physical damage, or improper use. The repair warranty is only valid if the repair or revision was carried out by Bruno Söhnle in Glashütte. Liability for incidental or consequential damages is excluded.

Pricing

Recommended retail price from Glashütte, including VAT.
